

September 2011

Moorfields pedestrian thoroughfare closing 1 October 2011

DURATION OF WORK

- Closure of Moorfields pedestrian route from 1 October 2011 until September 2014
- Saturday working hours from 08.00 to 13.00
- Weekend closure of Moorgate 24 and 25 September 2011
- Saturday working hours 08.00 to 22.00
- Sunday working hours 09.00 to 16.00

As part of the ongoing works to build a new Crossrail station the site at Moorgate is being extended to complete the safe demolition of 17-31 Moorfields. This will require the closure of the pedestrian thoroughfare on Moorfields between London Wall and Moorgate Tube station. The closure will start on 1 October 2011 and will remain in place until the end of 2016. Please see the enclosed diagram for details.

- Access to the station, Highwalk escalators and retail outlets on Moorfields will remain from the north via Moorfields
- The route between London Wall and Moorgate Tube station will be via the reopened western footpath on Moorgate
- The pedestrian footpath from London Wall into Fore Street Avenue will remain open until the end of October 2011 after which it will be closed
- Alternative pedestrian routes around the area will be signed

WHAT TO EXPECT

- Changes to hoarding lines
- Changes to pedestrian routes
- Temporary traffic diversions
- Regular updates on progress

The area will be closed off with temporary fencing initially. At the end of October the fencing will be replaced by wooden hoarding.

Prior to the closure of the thoroughfare, the pedestrian footway in front of the former Boots unit on Moorfields will be closed on weekends in September as previously notified.

Subject to approval by the City of London it is planned to extend the site into Moor Place taking up half of the roadway and the south pavement. From 1 October 2011 the road will need to be closed to traffic (emergency vehicle access only) and will require Moorfields to have two-way traffic in operation for access and deliveries only.

WHAT WE WILL DO

- Ensure the works are carried out safely
- Minimise disruption to local businesses and maintain servicing access
- Reduce disruption to passers by
- Keep the local community informed
- Monitor noise and dust and keep within permitted levels

Moorgate has reverted to two way traffic with the western lane remaining closed to allow the construction of the covered way on the western side of Moorgate. Closure of an additional lane of Moorgate is planned to take place on the weekend Saturday 24 and Sunday 25 September but is subject to approval from the City of London. During the closure single lane north bound traffic will be in operation.

We apologise in advance for any inconvenience caused as a result of our works. If you have any queries, please contact the Crossrail 24-hour public helpdesk on 0345 602 3813 or email helpdesk@crossrail.co.uk.
